

Pastoral Counseling Service

Celebrating Our 30th Year...

Incorporated February 1978, by Daniel Jonas.
2008 begins our celebratory year...

Along with providing pastoral psychotherapy to individuals, marriages, and families the Pastoral Counseling Service offers consultative, supervisory, and supportive services to clergy.

Since our inception into the Milwaukee Area we have
served thousands,
organized clergy breakfast, lunch & dinner, events,
participated in numerous conferences,
and
hosted Milwaukee Brewer Games.

In 1995 The Good Shepherd Fund, a program exclusive to PCS, was designated to assist those who have limited financial resources.

*Thank you to all of our friends over the years for their support.
Looking forward to the future and continued service to Southeastern Wisconsin.*
